This letter is in reference to the service provided to my clinic by PetSounds Mobile Imaging. I have found Dr. Miller's ultrasound service to be very useful to my patients and clients by providing state of the art diagnostic imaging in the comfort of an environment that they are comfortable in. Dr. Miller is very compassionate and skillful in handling each case individually. I appreciate his input on each case and the timely manner in which I get answers to challenging medical problems. With flexible and convenient scheduling, we have been able to offer this diagnostic tool to our clients in need. My staff and I enjoy the opportunity to learn each time Dr. Miller comes to our clinic. If you have been thinking of offering this service to your clients and are not sure you can provide the service or will not have a great need for this service, I would encourage you to try PetSounds.

Sincerely,

Dr. Rebecca S. Keil

To Whom It May Concern:

This letter is in regards to Dr. Chris Miller of PetSounds Mobile Ultrasound. We have used Dr. Miller for ultrasounds of many of our patients over the last year since he started this business. We have had no problems scheduling procedures with him. He has consistently been punctual, polite, and helpful with our cases. He reports his analyses and recommendations rapidly, and we have been pleased with his services. He regularly updates us with information pertaining to the swift diagnosis of selected conditions. His fees are quite reasonable, and are well tolerated by the clients.

We hope this is helpful to you in utilizing Dr. Miller's services. Feel free to contact us if you have specific questions.

Thank you,

Dr. Debra Stratton
Dr. Annette Brunner

DEAR COLLEAGUES,

PLEASE REVIEW THIS LETTER OF RECOMMENDATION FOR PETSOUNDS MOBILE ULTRASOUND SERVICE AND CONSIDER UTILIZING THEM FOR YOUR MINIMALLY INVASIVE DIAGNOSTIC NEEDS IN THE FUTURE.

DR. CHRIS MILLER IS THE PROPRIETOR OF THIS CORPORATION AND IS AN EXCELLENT VETERINARIAN AND DIAGNOSTICIAN. HIS SKILLS WITH THE ULTRASOUND WILL MAKE MANY OTHER ULTRASONOGRAPHERS PALE BY COMPARISON.

PETSOUNDS SHALL ARRIVE AT THE APPROPRIATE SCHEDULED TIME, PERFORM THE REQUESTED PROCEDURES, AND SUPPLY BOTH IMAGE CAPTURE FOR THE MEDICAL RECORD AND A VERBAL DISCUSSION OF THE CASE AT HAND. THIS WILL BE FOLLOWED UP IN A FEW DAYS TIME BY A COMPREHENSIVE COMPUTER GENERATED (LEGIBLE) REVIEW OF THE CASE WHICH ALWAYS INCLUDES A REITERATION OF THE FINDINGS IN A TABULATED SYSTEMS FORMAT. ADDITIONALLY, A LENGTHY LIST OF POTENTIAL RULE-OUTS AND A DISCUSSION OF POTENTIAL DISEASE PROCESS AND RECOMMENDED ADDITIONAL DIAGNOSTICS/PROCEDURES ARE PROVIDED AS A MATTER OF COURSE.

THE OBVIOUS BENEFIT OF HAVING MINIMALLY INVASIVE DIAGNOSTICS DONE IN YOUR OWN HOSPITAL IS A FEELING OF CONTINUITY BY YOUR CLIENTS AND A CONTINUANCE OF REVENUE FOR YOUR HOSPITAL BY NOT REFERRING CASES AWAY AND LOSING THE DIAGNOSTIC DOLLAR, AS IT WERE. BEING A MOBILE SERVICE, PETSOUNDS HAS NO INTEREST IN PERFORMING DIAGNOSTICS NOT REQUESTED OR AGREED UPON AT THE OUTSET OF THESE PROCEDURES. DR. MILLER IS INTERESTED IN ASSISTING PRACTITIONERS ARRIVE AT A DIAGNOSIS FOR THE PATIENT AND WILL NOT "STEP ON YOUR TOES" IN THE PROCESS.

I HAVE REQUESTED THE SERVICE OF OTHER MOBILE PRACTICES AND HAVE BEEN DISAPPOINTED TIME AND AGAIN BY THE LACK OF IMAGE CAPTURE, QUESTIONABLE PUNCTUALITY, AVERSION TO CASE DISCUSSION, AND ABSENCE OF FOLLOW UP BY THESE INDIVIDUALS.

IN SHORT, DR. MILLER'S PETSOUNDS IS AN EXCELLENT SOURCE OF DIAGNOSTICS AND KNOWLEDGE FOR YOU AND YOUR CLIENTS/PATIENTS. HIS SERVICES ARE CHARGED APPROPRIATELY AND DONE IN A TIMELY AND PROFESSIONAL MANNER, AND A REASONABLE TYPEWRITTEN ACCOUNT OF ALL PROCEDURES WILL BE PROVIDED AS A MATTER OF PROFESSIONALISM. I CAN RECOMMEND THE QUALITY OF PETSOUNDS HIGHER THAN ANY OTHER GROUP THAT I HAVE DONE BUSINESS WITH IN THE PAST.

THANK YOU FOR YOUR ATTENTION,

ROGER P. EAGLE, DVM
